WORK EXPERIENCE

FREELANCE DESIGNER

2016 - Present

Communicating with clients directly about design, marketing direction, meeting deadlines in a timely manner, creating materials that adhere to company's brand guidelines and standards, preparing and delivering properly formatted electronic files to the client.

Created a top-to-bottom rebrand for a client including logo design/complete brand guidelines, advertising, vehicle wrap, tradeshow materials, and stationery set.

Working with B2B clients on designing, creating branded single to full color sales sheets, graphs, charts, and case studies.

ADOBE STUDENT AMBASSADOR

Suffolk University

Fall 2018

Collaborated with other Ambassadors to create a semester-long marketing plan, developed promotional strategies for Adobe products through social media posts, workshops, and by networking with other departments.

GRAPHIC DESIGNER

Karmory LLC

2016 - 2018

Collaborated on a team of copywriters, video producers, and marketers to come up with campaigns for clients that would be utilized both digitally and in print.

Coordinated projects through from concept to completion, prepared files for final print, converted images, assets, and colors from RGB to CMYK, checked for proper bleed sizes and correct file formats for printer.

Managed multiple projects and worked directly with several clients simultaneously, while meeting deadlines within quick turnaround times.

Created presentations, pitch decks, and presented concepts and design direction to clients in meetings.

MARTIAL ARTS INSTRUCTOR

MacDonald's Academy

2011-2014

Worked with students within a wide range of skill levels and ages.

Wrote, created lesson plans and implemented them for one hour classes.

Developed leadership, public speaking, and multitasking skills through teaching classes.
